KEYTESVILLE R-III SCHOOLS

Tracy Bottoms, Superintendent Josh Shoemaker, Principal

September 24, 2015

Josh Shoemaker
27247 Hwy 5
Keytesville, Missouri 65261

Parents of the District:

In this communication I would like to attest to the fact, Keytesville R-III, is not in compliance with meeting the highly qualified teacher and instructional requirements based in the area of physics and junior high health; The district would like to emphasize that our science teacher is however highly qualified in all other areas pertaining to the sciences and our health instructor is currently signed up for appropriate testing. It is the continued goal and focus of the District to find a proper alternative as soon as possible. All other teachers teaching core subject are highly qualified. We are proud of our staff and will continue to provide your child with highly qualified instruction. Thank you for your support.

Josh Shoemaker
Principal
Keytesville R-III
